103 VETERANS ARE ATTENDING SCHOOL AT COUNTY SEAT

Sessions Are Being Held Wednesday and Thursday Evenings

OFFER THREE COURSES

Students Must Attend The Sessions for 24 Weeks

DOYLESTOWN, Oct. 24 — There are 103 World War II veterans from all sections of Bucks county attending the G. I. Veterans' School here. Sessions are held on Wednesday and Thursday evening.

The veterans, who are compelled to attend the night school sessions if they expect to receive their subsidy or government aid for on-the-job training, receive theoretical education to supplement their practical day-time experience.

Dr. J. Leonard Halderman, who is serving as the administrative head of the veterans' school, pointed out three courses are offered. They are for carpenters and plumbers, auto mechanics and all other trades, including roofing, refrigeration and masons.

There are enough G. I.'s to have two sections of plumbing and carpentry classes.

The veterans must attend for 24 weeks the entire term being divided into semesters or half-terms of 12 weeks.

County Superintendent Charles H. Boehm who made the necessary contacts with the Federal Government, urged Dr. Halderman to persuade the local school board to have the G. I. school maintained here.

For the G. I.'s who desire to "bone-up," there are courses in mathematics and blueprint reading.

Doylestown school teachers who are serving as the instructors are Luther K. Boyer, science and math instructor; William E. Wolfe, director of athletics, and C. Bartley Elifman, of the manual training department.

George R. Barber, New Britain, who is a vocational and manual arts instructor in one of the Philadelphia schools and has had experience with veterans who are on-the-job night school students, is also on the faculty.

Dr. Halderman, who expressed satisfaction that the local school board authorized the maintaining of the school here, pointed out that numerous local veterans used to go to Philadelphia several nights a week to obtain similar training.

Silver Anniversary Is Occasion for A Dinner

In observance of the 25th wedding anniversary of Mr. and Mrs. Sylvester Stella, Mill street, a dinner was served in Roman Hall, Trenton, N. J., Tuesday evening. A six-piece silver tea service was presented to the celebrants.

Dancing to guitar and accordion music was indulged in; and a mock wedding was arranged. Mr. and Mrs. Stella wore wedding costumes of the "gay nineties." Josephine Nichol, Trenton, N. J., served as "priest," and Carmine Minna, Red Bank, N. J., and John Masaro, Trenton, N. J., were gowned as bridesmaids. Anthony Russo served as toastmaster.

Those attending: Mr. and Mrs. Anthony Russo, Mr. and Mrs. Giuglielmo Cattani, Mr. and Mrs. Joseph Quaranta, Mr. and Mrs. Gaetano Greco, Bristol; Mr. and Mrs. Joseph Nicoll, Mr. and Mrs. John Masaro, Mr. and Mrs. Italo Corsalini, Mr. and Mrs. Isidoro Stella, Trenton, N. J.; Mr. and Mrs. Alfred Tomesani, Eatontown, N. J.; Mr. and Mrs. Carmen Mepta, Red Bank, N. J.

Lansdale Rotarian Is Speaker at Club Here

Harry Schultz, prominent speaker and Lansdale Rotarian, was the guest speaker at the meeting of the Bristol Rotary Club, held at the Elks' Home yesterday afternoon when he spoke on the subject, "On This We Build."

Methods and procedures for developing club service by the members of a club were graphically outlined by Schultz, who declared: "Rotary is a philosophy of life, the essence of which is the utter forgetfulness of self in the interest of service to others."

Guests were present from Bristol Langhorne and Morrisville. E. Keller Fox, president, was in charge of the meeting.

GLEANED BY SCRIBES

Unwillingness on the part of prospective buyers to pay high prices apparently was the cause for the almost complete failure in the hog department at the combination auction conducted Tuesday afternoon by the Rice brothers, near Solebury. Of the 159 head offered at the sale, attended by about 700 persons, only 38 were sold. This was confined only to brood sows, shoats and small pigs. No fat hogs and shoats were sold. Brood sows ranged in price from \$75 to \$90 and shoats brought from \$13.50 to \$27. Small pigs sold for \$3 to \$13.50.

Unlike the sale two weeks ago, when a large amount of poultry was offered, the supply Tuesday was comparatively light, but prices remained about the same. Proceeds from the sale of poultry amounted to \$1,000.

A pie and cake sale will be held tomorrow morning in the store of Thomas Rosakis on Farragut avenue. This sale is for the benefit of the boys' club sponsored by the Bristol Methodist Church. Cakes, pies and other good things to eat will be on sale from 9:30 on.

CHRISTIAN CITIZENSHIP

Women's Christian Temperance Union members will hold a meeting at the home of Mrs. George W. Bruden, 211 Cedar street, on Tuesday evening at eight o'clock. Miss Caroline Black will be the leader, her subject being "Christian Citizenship."

A SUMMARY OF THE NEWS

Congress has been called into session on Nov. 17th to provide funds for emergency aid to Europe and act against inflation and high prices at home. President Truman issued the call yesterday after having conferred with his Cabinet and Congressional leaders. France, he said, will run out of funds for food and fuel by the end of the year, and Italy sooner. The President will report to the nation by radio at 10 o'clock Eastern Standard Time tonight.

Republican leaders said that Mr. Truman had suggested \$642,000,000 for stop-gap aid. They declared that he had made the decision on a special session and that he had not asked, nor had they pledged, co-operation. Senator Taft declared that tax reduction would also be considered; he is scheduled to announce today his candidacy for the Republican Presidential nomination.

The United States demanded that the United Nations General Assembly's Political Committee flatly reject Russia's proposal for punishment of "warmongers." Warren R. Austin, replying to Soviet Deputy Foreign Minister Vishinsky's accusations, called the resolution "reactionary" and leading to censorship and a police state. Charges of

TAXES, DEBTS AND PRICES

The constant rise in prices touches on political issues which bear on the coming county and local elections here November 4.

The successive Republican administrations in the county have given a demonstration of the same sort of prudent, economic government which the Republican Party is fighting to restore to Uncle Sam.

Bucks county has a low tax — it averages less than \$6 apiece for all the men, women and children in the county. As for debts, the county in effect has none; there is much more than enough cash on hand to pay off the few outstanding bonds, which, however, cannot be retired before 1952.

Contrast this with the staggering load of taxes and debt which the New Deal has saddled on the American people.

The national debt figures out to about \$2000 apiece for every man, woman and child in the nation. On that basis, the Bucks County share of the national debt is something more than \$200,000,000.

What about taxes? Present Federal taxes are running about \$320 a year for each American. If you think you aren't paying your share of this amount, you're only kidding yourself. You are paying more taxes than you know. The income tax, if you have to pay it, is only a fraction of the total taxes. Many articles you buy—cigarettes, liquor, jewelry, and a host of others—have a direct Federal tax on them.

But inflated prices also are high because of high taxes. Where else can taxes go except into prices? Think it over. When you buy any article, isn't it obvious that in addition to paying for the cost of making the commodity and bringing it to you, you also have to pay a share of the Federal taxes of every single person who had anything to do with the manufacture, wholesaling and distribution of the article?

The Republican Party went to bat twice within recent months trying to force the Truman administration to fire some of its unnecessary public payroll, cut down some of its other extravagances, and thereby reduce income taxes an average of 15 per cent.

This plan was largely supported by Democrats as well as by the Republicans. Nevertheless, the President twice vetoed tax reductions which would have cut the income tax of low-wage earners 30 cents on the dollar, and those in the middle brackets 20 per cent.

RITES FOR GOHEEN TO BE HELD TOMORROW

Body Expected Here Today; Service Arranged for St. James' P. E. Church

INTERMENT IS PRIVATE PLAN SEVERAL EVENTS

With the expected arrival here today of the body of Arthur Thomas Goheen, Gunners Mate 3/c, funeral service is arranged for tomorrow afternoon at 2:30 o'clock in St. James' Episcopal Church. The Rev. George E. Boswell, rector, will officiate.

The body of Gunners Mate Goheen, son of Mr. and Mrs. Harry Goheen, Roosevelt street, is the first of those meeting death while overseas during World War II to arrive in Bristol.

To the service in St. James' Church relatives and friends are invited, but burial in Bristol Cemetery, under direction of George Moiden, will be private.

Members of Bristol Chapter, American War Mothers, will attend the service in a body. They are requested to meet at St. James' Church, Walnut and Cedar streets, at 2:30 tomorrow afternoon.

The body of Goheen arrived in San Francisco, Cal., aboard the "Honda Knot" on October 19th. The young man met death in the line of duty during an elevator accident aboard the "Cheopacket" at Pearl Harbor, T. H., December 29, 1945. He was 29 years old.

FOOD IS THE KEY

A development which could cause great harm to this nation concerns the basic problem of food. Already in short supply because of huge exports for seven consecutive years, food is the key to possible trends in the days ahead. And availability of food is dependent upon weather, which, despite some recent rains, continues to cause concern.

In the leading wheat states of Kansas, Oklahoma, Texas and Nebraska rainfall has been less than normal since the middle of July. Millions of acres ready for seeding are bone dry. Corn yields this year, although larger than predicted a few months ago, are below normal.

Short crops in 1948, overdue under the law of averages, would bring still higher food prices and a definite boost for inflation. Relief exports to Europe would finally be abandoned because of no alternative choice, in which event Russia might be expected to make hay for Communism.

Inflation at home and loss of prestige abroad would form a combination detrimental to economic security.

DREAM OF BOYHOOD

Austin Butcher, Kansas country editor, admits that all of his boyhood ambitions have not been realized. His principal frustration is in the fact he did not become a railroad engineer.

"We still would rather be a railway locomotive engineer than President of the United States," he confesses in a recent issue of his Altoona Tribune. His ambition was not unusual, having been shared by millions of boys throughout the years.

Mr. Butcher is of that generation which saw great developments and changes in the nation's railroads. When he first had a hankering to become an engineer there was considerable glamor to the job. Locomotives were smaller, simpler in operation. Trains were short and easy to handle.

Railway men as a class were outstanding because they were men of action and movement.

Today the men who operate the vast power plants on American railways are highly trained individuals, who insist there is neither glamor nor romance in the job. Entrusted to their care are hundreds of lives, fortunes in equipment. Schedules must be maintained. Speed is the essence of their vocation.

Taxes, Debts and Prices

Continued from Page One

That tax cut would have been the first and best step to lower prices taken by the national government since the end of the war.

Taxes will be cut when and if the Republican Party is successful in electing a Republican President in the White House—unless before that time enough more Democrats join those already converted to permit Congress to override a third Presidential veto.

What would that 15 per cent tax slash have meant to Bucks County? It would have kept nearly \$5,000,000 a year in earnings IN THE COUNTY—instead of siphoning it off to Washington to be frittered away. Is that worth working for? The tax reductions would have paid county taxes, at present leads, for NEARLY TEN YEARS!

The fantastic rate of spending of the national government is almost beyond understanding. Take the Marshall plan alone, which at present is contemplated as something over and above the gigantic other expenditures of the Truman Administration.

If that plan costs no more than the first and ultra-optimistic estimates, it still will cost every person in this county \$150—\$750 for each family of five. It will take a total of \$15,000,000 out of the earnings of the people of this county.

Where does the county election come in? In two ways. First, this county is an outstanding instance of how public business should be conducted—and how it is not being conducted in Washington.

IF NATIONAL AFFAIRS WERE BEING RUN ON THE SAME BASIS AS BUCKS COUNTY AFFAIRS HAVE BEEN, THIS NATION WOULD BE OUT OF DEBT, TAXES WOULD BE TRIFLING—AND THIS NATION WOULD BE WHERE BY RIGHTS IT OUGHT TO BE: IN THE MIDST OF THE GREATEST WAVE OF ABUNDANCE AND PROSPERITY IN ALL HISTORY!

If that's what you believe in, give it your indorsement by voting Republican next November 4.

The other way in which the national political issues are involved in the coming election has to do with the morale and the solidarity of the Republican Party.

Here in Bucks county, the Republicans have scored two smashing victories—a year ago, and this last September. DON'T SPOIL A SPLENDID RECORD! PROVE TO THE WORLD THAT THESE TWO PREVIOUS VICTORIES WERE NOT "FLUKES"! THE RECORD OF THE REPUBLICAN PARTY IN THIS COUNTY IS OUTSTANDING. LET'S GIVE THE PARTY AN OUTSTANDING MAJORITY TO PROVE WE ARE ALL IN EARNEST IN DEMANDING A RETURN OF SANITY, ECONOMY AND AMERICANISM TO WASHINGTON!

On November 4 BE SURE TO VOTE, and be sure to VOTE STRAIGHT REPUBLICAN! Simply put a crossmark after the word Republican where it appears on the ballot in heavy type thus:

REPUBLICAN X

Robert Pippenger, a New Hope sculptor, spoke to the seventh-grade history class of the New Hope-Solebury schools about Italy and Greece a few days ago. Mr. Pippenger, who studied in Italy and traveled extensively in Greece, gave many interesting sidelights of the history of the two nations.

Members of the junior class a few nights ago enjoyed a hayride. Mr. and Mrs. Bernard Kieker accompanied the young people.

Members of the high school faculty, at a meeting the past week, discussed plans for the observance of American Education Week. An interesting program has been arranged by the parent-teacher association, and an effort will be made to have the parents visit the schools during the week of Nov. 9-15, when American Education Week is observed.

Sixth grade pupils are making a study of the Indians. They are making scrapbooks and pottery, and are collecting a variety of Indian relics for exhibition.

Hancock Run is being represented in the two-million dollar All-American Jersey show to be held at the state fairgrounds in Columbus, Ohio, under the sponsorship of the American Jersey Cattle Club, by an entry made by J. Robert Gracey.

Thirty-Six Local Women Take a Tour of New York

Thirty-six members and friends of Bristol Chapter, American War Mothers enjoyed a tour of New York, N. Y., on Wednesday.

The group visited Cathedral of St. John the Divine; Radio City Music Hall; and a broadcasting studio where they witnessed the program "Misses Go Shopping."

Mrs. John Wicher was called upon during the broadcasting program, and was the recipient of a pressure cooker and sweater.

The War Mothers' regular meeting will be held in the Robert W. Bracken post home on Tuesday evening at 7:30. Nomination of officers will be in order.

Today's Quiet Moment

By the Rev. Lehman Strauss

Pastor, Calvary Baptist Church

Text: Galatians 6:1—"Considering thyself, lest thou also be tempted."

O Lord, teach us how to meet the need of those who have fallen. We pray for them who have stumbled into sin and shame, who have been caught by the wiles of the evil one. Teach us to be helpful, considerate, gracious, lest we ourselves yield to those same temptations and commit those same sins. Realizing how prone we are to sin, we pray for a closer walk with Thee. Hear our prayer for Jesus' sake. Amen.

**SPORTSMEN'S
BRIEFS**
BY JOE ELBISON

No results . . . preceding the opening of the duck season on Tuesday I made arrangements with several local gunners who planned to be out the first day. They agreed to contact me if they had any kills. As this is to press I have not heard from any of them. No doubt there were some local ducks bagged, but chances are a good many hunters came in empty handed. The opening day was more suitable for fishing or bathing than it was for hunting ducks. William Quinn, Tullytown, however, came home with a Canadian goose which he killed on the River above Bristol.

Extra special . . . this Sunday, October 26, a target shoot special will be held over the Edgely Rod & Gun trap, beginning at 1 P. M. The shoot is open to all, and everyone is welcome. Here's the special part of the shoot: 25 shells and targets for \$1.50! This is a real bargain in these days of high prices, and it will afford a splendid opportunity to sharpen your shooting for the opening of small game season the following Saturday.

More fish . . . from the Pennsylvania Fish Commission's Pleasant Mount Hatchery in Wayne County came a truckload of fish for Silver Lake last Friday afternoon. Included in the shipment were 1,000 fingerling bass and 1,200 yellow perch. The perch ranged in size from 4 to 8 inches. A considerable number of the smaller perch were dead on arrival.

And from the Torrdesdale hatchery last Friday came 800 really fine catfish for the same water. Some of these measured up to 16 inches in length, with the entire lot averaging at least a pound each.

Meeting . . . next Tuesday evening, October 28, the Edgely Rod & Gun Club will meet in the Headley Manor Fire Station. The same cordial invitation to all interested sportsmen to attend is again extended.

Make it permanent . . . during the last several days press releases have indicated that Governor Duff may postpone the opening of small game season if sufficient rain doesn't fall to eliminate the danger of forest fires. At the present moment hundreds of thousands of acres are as dry as tinder because of lack of precipitation.

Since the Governor's announcement many hunters have suggested that the season comes in too early, regardless of the present fire hazard. A good many would like to see the season start about the middle of November and extend through to the middle of December.

Such a program, if it were inaugurated in this area, would be very well received. For the last several years the weather has been so warm that it has been almost necessary to hunt in shirt sleeves. Cover has been particularly heavy and dense, and it has been work for the first several days. In addition, the lack of cool weather and continued frost means that rabbit meat is usually not too good.

FALLS - MORRISVILLE

Three scholastic football games are scheduled for this vicinity tomorrow. Two of the games will be played in the afternoon, while the third game will be under the lights at Morrisville.

The night affair will be between Falls Township and Morrisville High on the Robert Morris field, starting at eight o'clock. Morrisville broke into the win column for the first time last week, beating Bensalem Township.

Langhorne will meet "Sags" Sagolla's Council Rock (Newtown) aggregation at Newtown. Sagolla's team is unbeaten and holds a victory over Bensalem. Langhorne bounced back into the win column last Friday night, trimming Lower Moreland, 25-0.

The other tilt pits Bensalem against Southampton on the latter's field. Bensalem scored its first touchdown of the season last Saturday but has yet to taste the fruit of a victory.

**Plaintiff Shows Jury Leg
Stump During a Trial**

the defendant's car not moving "I didn't notice any exhaust coming from the rear of the car so I figured the motor wasn't running. I did not see any signal from the defendant when he crossed to the right side of the road nor did I hear him sound any horn."

Dr. H. P. Feigley, Quakertown Hospital emergency surgeon, testified the plaintiff was in the operating room 1½ hours in order to have his right foot removed by a Philadelphia surgeon. Three inches of the right bone was completely destroyed, including the nerves and blood vessels, Dr. Feigley said. The plaintiff was hospitalized 27 days following the operation.

Robert E. Gieske, 24, Quakertown Rd. 3, who was the man leaning against his motorcycle, was the plaintiff's second witness. He practically corroborated the details as testified to by the plaintiff.

In a statement taken four days after the accident—Aug. 4, 1942—Gieske, who signed it and admitted his signature in court this week described the defendant's car as having been on the right hand side of the highway.

Tuesday afternoon, it is stated, he completely reversed his story and testified now he was telling the truth and that he wasn't telling the correct story when that interview was taken.

"You mean to tell the Court and this jury that your recollection of the details of that accident five years ago is clearer today than it was two days after it happened?" he defense attorney asked the witness.

Members of the jury are Clarence A. Schott, Perkasie, RD 1; Walter K. Terry, Perkasie; Naomi K. Fluck, Perkasie; Ruth J. Bilger, Hulmeville; Alice Berger, Quakertown; Claire Ott, Bristol; Anna P. Knapp, Langhorne RD 2; Clarence Harr,

Before Judge Calvin S. Boyer, a jury, which had deliberated less than an hour, on Tuesday returned a verdict in favor of the defendants Linford Umstead and his son, Edwin Umstead, 22, Fountainville, and against Andrew Mikula, the plaintiff, who was suing for damages amounting to \$667.

The suit grew out of a collision on Route 611, above Plumsteadville at Heacock's Sawmill, November 25, 1946, when the plaintiff's car ran into a truck hauling logs which was being operated by Edwin Umstead.

State Police Carl J. Sauer, of the Doylestown sub-station, who examined the truck after the accident, testified a signal arrow light

on the right-hand side was missing but that a stop-brake light was intact and in working order after the collision.

The defendant - driver, Edwin

Umstead

testified a part of a red flag was still on one of the logs and that the other part of the flag was found on the plaintiff's car.

The longest log was 60 feet, and the logs stuck out from 12 to 15 feet in the rear, the defendant testified.

Edwin Umstead, the driver, who was hauling logs from Langhorne to the sawmill, said he looked in his mirror and saw a car about 500 feet behind him and decided he had time enough to make a right-hand turn from the highway into the sawmill. "I did not extend my arm but I put on the signal-arrow light and used the brake to indicate I was going to turn," Umstead said.

A. C. Myers, Buckingham contractor, against Mrs. Florence Leo, of New Hope, is under way in Judge Keller's court. The action in asumpstion was started in January of this year. The plaintiff claims that he was not fully paid for making renovations to Mrs. Leo's house near Aquetong, a house that was recently pictured in colors in one of the nation's leading magazines. Mrs. Leo claims that the work was not carried out as contracted for

to go into multiple production. The HRP-1, the first of 29 such planes

to be built, boasts twin rotors and a Pratt-Whitney 600 horsepower engine. It is able to ascend and descend vertically with more than a ton of useful load and can attain speeds of over 100 miles an hour.
